

# Invitation to send tasting samples to **wein.plus**

Send a representative portfolio of your wines (two bottles each) to:  
**Wein-Plus GmbH, Tasting Samples, Wetterkreuz 19, 91058 Erlangen, Germany.**  
You will automatically receive a detailed confirmation of receipt after the entry,  
as well as an Email with the results after the tasting.

**Important:** We can only taste sparkling wines if they have been sent to us in the EMCS procedure.

## 5 reasons why your wines should not be missing

**wein.plus** is Europe's leading independent wine platform and focuses on the qualitative top in Europe.

**wein.plus** is financed by the contributions of its members and not by tasting fees.

The wine reviews of **wein.plus** include over 165,000 professional wine descriptions from all over Europe.

They are updated almost daily and are subject to strict tasting guidelines.

### 1/ Professional - Independent

The wine reviews of **wein.plus** are considered as incorruptible, independent, professional and recognized in a special way, making them a reference in the wine scene for private and business readers.

### 2/ Unique European comparison

The wine reviews of **wein.plus** offer the opportunity to compare wines and wineries from all the growing countries of Europe. Here you and all other **wein.plus** members can see where your wines stand in European comparison.

### 3/ The leading reference for private and professional buyers

The Internet has become indispensable as a source of information for buying wine! With over 241,000 members, **wein.plus** is the most popular wine platform on the Internet.

### 4/ Up to date - sales support from the very beginning

Our tastings take place every working day. You send us your wines - we will taste them promptly! In this way the reviews of **wein.plus** are published even before your wines are sold out, in contrast to most print wine reviews!

### 5/ Support of all trade channels – online and offline

The wine reviews of **wein.plus** are used by buyers of all trade levels. Importers, retailers, resellers, restaurateurs and end customers inform themselves before buying on the Internet and thus automatically at **wein.plus**.
